

EVERTECH CORPORATION

COMPANY INTRODUCTION

Founded in 2001 in Lahore, Pakistan, Evertech Corporation is a trusted provider of innovative IT solutions. As an official partner of Dell and Lenovo, we deliver reliable, cost-effective, and environmentally responsible technology.

Our mission is simple: empower businesses with technology that drives growth, reliability, and long-term value — backed by responsive after-sales service.

ABOUT US

At Evertech Corporation, we do more than supply IT products — we build lasting partnerships.

We bring years of expertise in:

- Customized IT solutions that match business needs
- Reliable after-sales and technical support
- Competitive pricing without compromising quality
- Commitment to eco-friendly technology

We believe in preparing businesses for today's challenges and tomorrow's opportunities.

OUR SERVICES

We offer end-to-end IT solutions designed to secure, connect, and grow your business:

- Information Security Solutions
- Network Design & Management
- IT Security Audit
- Routing & Switching
- IP Telephony Solutions
- IP Video Surveillance
- IT Systems & Server Deployment
- IP Camera Installation & Management

Whether you need a single service or a complete IT infrastructure, EVERTECH CORPORATION delivers solutions tailored to your business.

OUR PRODUCTS

We provide a wide range of reliable IT products to meet the needs of individuals, small businesses, and large enterprises. All our products come with official warranties and after-sales support to ensure peace of mind.

Key Categories:

- Laptops & Desktops – High-performance devices from leading brands (Dell, Lenovo, etc.)
- Printers & Scanners – Efficient solutions for office productivity (Epson, Hp, etc.)
- Cameras – IP cameras, surveillance systems, and accessories (UNV, Dahua, etc.)
- Networking Products – Switches, routers, and connectivity solutions (Cisco, Fortinet, etc.)
- IT Accessories — Keyboards, mice, storage & peripherals

OUR CLIENTS

Over the years, Evertech Corporation has become the trusted technology partner for organizations across diverse industries. Our clients value us for our reliability, responsive support, and ability to deliver solutions that scale with their business.
